Education

Shanghai No.2 High School, Shanghai, China **09/2022-06/2025**

- Grade 10-Grade 12, High School Diploma

Shanghai Southwest Model High School, Shanghai, China **09/2018-06/2022**

- Grade 6-Grade 9

Research&Projects

Research on Preparation of Rapid Cooling Equipment, Shanghai Jiaotong U. **09/2023-06/2024**

- Read papers, learned college physics and industrial cooling technology, and studied methods for physics research.
- Produced a mini semiconductor refrigerator in the lab and wrote a paper.

Application of Generative Pre-trained Transformer Models **09/2023-06/2024**

- Researched the use of modern AI models in daily life, learned Python programming and knowledge of advanced mathematics (i.e. Bayesian Rule).
- Trained a small AI model to translate Chinese into English.

Survey on Community Care on Shanghai Metro **09/2022-06/2023**

- Interviewed passengers, conducted questionnaire survey, analyzed questionnaires, and prepared survey reports.
- Proposed improvements for human-centered urban rail development.

ExtracurricularActivities

Student Union Discipline Committee, Officer **09/2022-06/2024**

- Oversaw the discipline of c.800 students in the evening self-study session to ensure minimal distraction; prepared a weekly discipline assessment report.

School TV Station, Photographer&Video Recorder **09/2022-06/2024**

- Worked as the only drone operator, recorded major events for the school's official WeChat website and publicity brochures.

Agricultural Technology Learning, Member **11/2023**

- Completed a plant biodiversity survey and learned how to protect plants, such as by controlling pests and diseases, as well as fertilization and weeding techniques and how to cook local dishes.

VolunteerActivities

Shanghai Aerospace Enthusiasts Center, Volunteer **06/2023-08/2023**

- Assisted staff in maintaining order during weekends and summer vacations; Served as a tour guide and TA in activities like flying simulation and making plane models; Explained theory of various machines to primary school students visited the center, to them.

Shanghai No. 2 High School–Campus Open Day, Volunteer **06/2023-06/2023**

- Introduced school's history, campus life, club activities and useful tips; Talked about what school's STEM program involved; Showed my program work - a robotic car using autonomous driving algorithms to move.

Honors&Awards

Third Prize, 'China Middle School Cup' Youth AI Competition	12/2023
Second Prize, Wuben Scholarship, Shanghai No.2 High School	06/2024
Outstanding Student Union Cadre, Shanghai No.2 High School	12/2023
Third Prize, Drone Obstacle Flight Racing, School Science Festival	05/2024

Skills&Hobbies

- Self-study "Dive into Deep Learning", a textbook of UCB(Learned basic algorithms of modern AI and the procedure to train an AI model)
- **Programming Skill:** Phython, C++
- **Hobbies:** Swimming, Photography
